**PROXY STATEMENT
FOR
2006 ANNUAL MEETING OF STOCKHOLDERS**

The Board of Directors of AtriCure, Inc., a Delaware corporation, is soliciting the enclosed proxy from you. The proxy will be used at our 2006 Annual Meeting of Stockholders to be held on Wednesday, June 21, 2006, beginning at 9:30 a.m. (EDT) at our principal executive offices located at 6033 Schumacher Park Drive, West Chester, Ohio 45069, and at any postponements or adjournments thereof. This proxy statement contains important information regarding the 2006 Annual Meeting of Stockholders. Specifically, it identifies the matters upon which you are being asked to vote, provides information that you may find useful in determining how to vote and describes the voting procedures.

In this proxy statement: the terms “we”, “our”, “AtriCure” and the “Company” each refer to AtriCure, Inc.; the term “Board” means our Board of Directors; the term “proxy materials” means this proxy statement, the enclosed proxy card, and our Annual Report on Form 10-K for the year ended December 31, 2005, filed with the U.S. Securities and Exchange Commission on March 31, 2006; and the term “meeting” means our 2006 Annual Meeting of Stockholders.

We are sending these proxy materials on or about May 19, 2006, to all stockholders of record at the close of business on April 26, 2006 (the “Record Date”).

QUESTIONS AND ANSWERS REGARDING THE ANNUAL MEETING

Why am I receiving these proxy materials?

We sent you these proxy materials because our Board is soliciting your proxy to vote at the meeting. As a stockholder of record at the close of business on the Record Date, you are invited to attend the meeting and are entitled to and requested to vote on the items of business described in this proxy statement.

What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the meeting, the voting process, the compensation of our directors and most highly paid executive officers in 2005 and certain other required information.

Who is entitled to vote at the meeting?

Only stockholders who owned our common stock at the close of business on the Record Date are entitled to notice of and to vote at the meeting, and at any postponements or adjournments thereof. If you are not a stockholder of record but hold shares in street name (that is, through a broker or nominee), you will need to provide proof of beneficial ownership as of the Record Date, such as your most recent brokerage account statement, a copy of the voting instruction

What items of business will be voted on at the meeting?

card provided by your broker, trustee or nominee, or other similar evidence of ownership. All stockholders should be prepared to present photo identification for admittance.

The items of business scheduled to be voted on at the meeting are:

1. the election of nine nominees to serve as directors on our Board; and
2. the ratification of the appointment of our independent registered public accounting firm for the 2006 fiscal year.

These proposals are described more fully below. As of the date of this proxy statement, this is the only business that our Board intends to present or knows of that others will present at the meeting. If any other matter or matters are properly brought before the meeting, it is the intention of the persons holding proxies to vote the shares they represent in accordance with their best judgment.

How does the Board of Directors recommend that I vote?

Our Board recommends that you vote your shares (1) "FOR" each of the director nominees and (2) "FOR" the ratification of independent registered public accounting firm for the 2006 fiscal year.

What are my voting rights?

On each matter to be voted upon, you have one vote for each share of common stock you own as of the Record Date. You may vote all shares owned by you as of the Record Date, including (1) shares held directly in your name as the *stockholder of record*, and (2) shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank.

In the aggregate, there are a maximum of 12,117,535 votes that may be cast at the meeting.

What constitutes a quorum?

A quorum is required to conduct business at the meeting. The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the meeting will constitute a quorum. As of the Record Date, 12,117,535 shares of our common stock were outstanding. Accordingly, the presence of the holders of our common stock representing at least 6,058,768 votes is required to establish a quorum at the meeting. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

[Table of Contents](#)

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, you are considered, with respect to those shares, the *stockholder of record*, and these proxy materials are being sent directly to you by us. As the *stockholder of record*, you have the right to grant your voting proxy directly to the persons named as proxy holders or to vote in person at the meeting. We have enclosed a proxy card for your use.

If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held in *street name*, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the meeting. Please note that since a beneficial owner is not the *stockholder of record*, you may not vote these shares in person at the meeting unless you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares, which gives you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for your use in directing the broker, trustee or nominee how to vote your shares.

How can I vote my shares in person at the meeting?

Shares held in your name as the stockholder of record may be voted in person at the meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares, which gives you the right to vote the shares. Even if you plan to attend the meeting, we recommend that you also submit your proxy card or voting instructions as described below so that your vote will be counted if you later decide not to, or are unable to, attend the meeting.

Can I vote my shares without attending the meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. Stockholders of record may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelope. Stockholders holding shares beneficially in street name may vote by mail by completing, signing and dating the voting instruction cards provided by their broker, trustee or nominee and mailing them in the accompanying pre-addressed envelope.

[Table of Contents](#)

What if I want to change my vote?

You may change your vote at any time prior to the vote at the meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary prior to your shares being voted or by attending the meeting and voting in person. Please note that attending the meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee, which gives you the right to vote your shares, by attending the meeting and voting in person.

What vote is required to approve each item and how are votes counted?

The vote required to approve each item of business and the method for counting votes is set forth below:

Election of Directors. The nine director nominees receiving the highest number of affirmative “FOR” votes at the meeting (a plurality of votes cast) will be elected to serve as directors. You may vote “FOR” all of the director nominees or “WITHHOLD” your vote for any or all director nominees. A properly executed proxy marked “WITHHOLD” with respect to the election of one or more director nominees will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Ratification of Independent Registered Public Accounting Firm. For the ratification of the appointment of our independent registered public accounting firm, the affirmative “FOR” vote of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. You may vote “FOR,” “AGAINST” or “ABSTAIN” for this item of business. If you “ABSTAIN,” your abstention has the same effect as a vote “AGAINST.”

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (“FOR” all of the nominees to the Board and “FOR” ratification of the independent registered public accounting firm, and in the discretion of the proxy holders on any other matters that properly come before the meeting).

[Table of Contents](#)

What is a “broker non-vote”?

Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, who are the beneficial owners of the shares, brokers have the discretion to vote such shares on routine matters. The election of directors and the ratification of the appointment of independent registered public accounting firm are considered routine matters. Therefore, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares “FOR” all of AtriCure’s nominees to the Board and “FOR” ratification of the independent registered public accounting firm. A “broker non-vote” occurs when a broker expressly instructs on a proxy card that it is not voting on a matter, whether routine or non-routine.

How are “broker non-votes” counted?

Broker non-votes will be counted for the purpose of determining the presence of a quorum for the transaction of business, but they will not be counted in tabulating the voting result for any particular proposal.

How are abstentions counted?

If you return a proxy card that indicates an abstention from voting, the shares represented will be counted for the purpose of determining both the presence of a quorum and the total number of votes cast with respect to a proposal (other than votes cast with respect to the election of directors), but they will not be voted on any matter at the meeting. In the absence of controlling precedent to the contrary, we intend to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote “AGAINST” a proposal.

What happens if additional matters are presented at the meeting?

Other than the two proposals described in this proxy statement, we are not aware of any other business to be acted upon at the meeting. If you grant a proxy, the persons named as proxy holders, Thomas J. Etergino (our Vice President and Chief Financial Officer) and Stephen S. Cambridge (our Vice President of Sales), will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If, for any unforeseen reason, any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by our Board.

Who will serve as inspector of election?

We expect the Secretary of the Company to tabulate the votes and act as inspector of election at the meeting.

Table of Contents

What should I do in the event that I receive more than one set of proxy/voting materials?

You may receive more than one set of these proxy solicitation materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For instance, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. In addition, if you are a stockholder of record and your shares are registered in more than one name, you may receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive to ensure that all your shares are voted.

Who is soliciting my vote and who will bear the costs of this solicitation?

Your vote is being solicited on behalf of the Board, and the Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, by e-mail or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners. We may also engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. Our costs for such services, if retained, will not be material.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal 2006.

What is the deadline to propose actions for consideration at next year's meeting of stockholders or to nominate individuals to serve as directors?

As a stockholder, you may be entitled to present proposals for action at a future meeting of stockholders, including director nominations.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in our proxy statement for the annual meeting to be held in 2007 (the "2007 Annual Meeting"), the written proposal must be received by the Secretary of AtriCure at our principal executive offices no earlier than December 21, 2006 and no later than January 20, 2007. Board of Directors' Recommendation

THE BOARD RECOMMENDS THAT YOU VOTE FOR EACH OF THE NINE NOMINEES FOR DIRECTOR LISTED ABOVE.

CORPORATE GOVERNANCE AND BOARD MATTERS

Independence of the Board

The Nasdaq Stock Market, Inc. (“Nasdaq”) listing standards require that a majority of the members of a listed company’s board of directors qualify as “independent,” as affirmatively determined by the board of directors. Our Board consists of the following ten directors: Richard M. Johnston (Chairman), David J. Drachman, Donald C. Harrison, M.D., Michael D. Hooven, Alan L. Kaganov, Mark R. Lanning, Gene R. McGrevin, Karen P. Robards, Norman R. Weldon, Ph.D. and Lee R. Wrubel, M.D. Our Board has affirmatively determined that each of the directors and nominees other than David J. Drachman, our President and Chief Executive Officer, and Michael D. Hooven, our Chief Technology Officer, are independent directors under the listing standards established by Nasdaq.

As required under the Nasdaq listing standards, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present.

Committees of the Board

Our Board has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. From time to time, our Board may also create committees for special purposes. The membership and the function of each of the committees are described below.

Audit Committee. Our Audit Committee currently consists of Richard M. Johnston (Chairman of the Committee), Donald C. Harrison, M.D., Karen P. Robards and Mark R. Lanning, who joined our Board and the Committee on February 8, 2006. Our Audit Committee is responsible for assuring the integrity of our financial control, audit and reporting functions and reviews with our management and our independent auditors the effectiveness of our internal control over financial reporting and accounting and reporting practices and procedures. In addition, this Committee reviews the qualifications of our independent auditors, is responsible for their appointment, compensation, retention and oversight and reviews the scope, fees and results of activities related to audit and non-audit services. Our Board has determined that each member of the Audit Committee meets the independence and financial literacy requirements of the Nasdaq rules and the independence requirements of the SEC. Our Board has also determined that Richard M. Johnston, Karen P. Robards and Mark R. Lanning each qualifies as an “audit committee financial expert,” as defined in SEC rules. The Audit Committee has a written charter, which was adopted by our Board in April 2005. A copy of the charter is attached as **Appendix A** to this proxy statement and is available on our website at www.atricure.com under “Investor Relations—Corporate Governance.” The report of the Audit Committee appears on page 22 of this proxy statement.

Compensation Committee. Our Compensation Committee currently consists of Alan L. Kaganov (Chairman of the Committee), Norman R. Weldon, Ph.D., Lee R. Wrubel, M.D. and Gene R. McGrevin, who joined our Board and the Committee on April 6, 2006. The Compensation Committee’s principal responsibilities are to determine and approve the compensation of our Chief Executive Officer, review and approve compensation levels for our other executive officers, review and approve management incentive compensation policies and programs, review and approve equity compensation programs for employees and exercise discretion in the administration of those programs, and produce an annual report on executive compensation for inclusion in the proxy statement. The composition of the Compensation Committee satisfies the independence requirements of Nasdaq. The Compensation Committee has a written charter, which was adopted by our Board in April 2005 and is available on our website at www.atricure.com under “Investor Relations—Corporate Governance.” The report of the Compensation Committee appears beginning on page 27 of this proxy statement.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee currently consists of Norman R. Weldon, Ph.D. (Chairman of the Committee), Donald C. Harrison, M.D., Richard M. Johnston and Karen P. Robards. The Nominating and Corporate Governance Committee is

[Table of Contents](#)

responsible for reviewing and making recommendations on the composition of our Board and selection of directors, periodically assessing the functioning of our Board and its committees, and making recommendations to our Board regarding corporate governance matters and practices. The composition of the Nominating and Corporate Governance Committee satisfies the independence requirements of Nasdaq. The Nominating and Corporate Governance Committee has a written charter, which was adopted by our Board in April 2005, which is available on our website at www.atricure.com under “Investor Relations—Corporate Governance.”

Meetings of the Board and Committees of the Board

During 2005, the Board held five meetings, the Audit Committee held six meetings, the Compensation Committee held five meetings and the Nominating and Corporate Governance Committee held two meetings.

Our directors are strongly encouraged to attend the Company’s annual meeting of stockholders. We have not previously held an annual meeting of stockholders.

Consideration of Director Nominees

Stockholder Nominations and Recommendations. As described above in the Question and Answer section under “What is the deadline to propose actions for consideration at next year’s meeting of stockholders or to nominate individuals to serve as directors?,” our Bylaws set forth the procedure for the proper submission of stockholder nominations for membership on our Board. In addition, the Nominating and Corporate Governance Committee may consider properly submitted stockholder recommendations (as opposed to formal nominations) for candidates for membership on the Board. A stockholder may make such a recommendation by submitting the following information to our Secretary at 6033 Schumacher Park Drive, West Chester, Ohio 45069: the candidate’s name, age, home and business contact information, principal occupation or employment, the class and number of shares of AtriCure stock beneficially owned, information regarding any relationships, arrangements or understandings between the candidate and AtriCure, and any other information relating to the candidate that is required to be disclosed in solicitations of proxies for elections of directors or is otherwise required, including the candidate’s written consent to being named in the proxy statement, if any, as a nominee and to serving as a director if elected.

Director Qualifications. Members of our Board should have the highest professional and personal ethics and values, and conduct themselves consistent with our Code of Business Conduct and Ethics. Other than an age limit of 72 for election of directors set by our Board, the Nominating and Corporate Governance Committee has not established specific minimum qualifications for director candidates. The Committee believes that candidates and nominees must reflect a Board that is comprised of directors who (i) are predominantly independent, (ii) are of high integrity, (iii) have qualifications that will increase overall Board effectiveness, and (iv) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to audit committee members. Our Board waived the age limit requirement included in our Corporate Governance Guidelines with respect to Donald C. Harrison, M.D., who is currently 72, for the upcoming term.

Identifying and Evaluating Director Nominees. Typically new candidates for nomination to our Board are suggested by existing directors or by our executive officers. However, candidates may also come to the attention of our Board through professional search firms, stockholders or other persons. The Nominating and Corporate Governance Committee will carefully review the qualifications of any candidates who have been properly brought to its attention. Such review may, in the Committee’s discretion, include a review solely of information provided to the Committee or may also include discussions with persons familiar with the candidate, an interview with the candidate or other actions that the Committee deems proper. The Committee will consider the suitability of each candidate, including the current members of our Board, in light of the current size and composition of the Board. In evaluating the qualifications of the candidates, the Committee considers many factors, including, issues of character, judgment, independence, age, expertise, diversity of experience, length of service, other commitments and the like. The Committee evaluates such factors, among others, and does not assign any

[Table of Contents](#)

particular weighting or priority to any of these factors. Candidates properly recommended by stockholders are evaluated by the independent directors using the same criteria as other candidates.

Director Compensation

Prior to our initial public offering, we did not compensate directors for their services as directors and only reimbursed our directors for reasonable out-of-pocket expenses incurred in connection with attending meetings of our Board and Committees. Upon the closing of our initial public offering in August 2005, we began to compensate non-employee directors and in April 2006, in consultation with the Compensation Committee, our Board approved changes to the compensation given to our non-employee directors. The annual retainer paid to our non-employee directors was increased from \$15,000 to \$20,000. The additional fees paid to the Chairman of the Board were increased from \$5,000 to \$25,000, the fees paid to the Chairman of the Audit Committee were increased from \$5,000 to \$10,000, the fees paid to the Chairman of the Compensation Committee were increased from \$2,500 to \$5,000, and the fees paid to the Chairman of the Nominating and Corporate Governance Committee were increased from \$2,500 to \$5,000.

In April 2006, our Board also approved changes to the options automatically granted to each non-employee director under our 2005 Equity Incentive Plan. The initial stock option grant to non-employee directors upon joining our Board was increased from 20,000 options to 50,000 options, which vest one-fourth on each anniversary of the date of the grant. Existing non-employee directors as of the closing of our initial public offering in August 2005 each received an initial grant of 10,000 options, which vest one-fourth on each anniversary of the date of grant. The annual stock option grant after each annual meeting of stockholders to each of our non-employee directors who has been a director for at least six months was increased from 3,000 options to 10,000 options, which now vest one-third on the earlier of each anniversary of the date of the grant or the annual meeting of stockholders that year. In light of the change in initial stock option grants, the Board approved stock option grants in April 2006 for 30,000 options to the non-employee directors who will stand for re-election at the Annual Meeting, which vest one-fourth on each anniversary of the date of grant. Options granted to the non-employee directors have a term of 10 years and an exercise price equal to the fair market value on the date of grant.

Non-employee directors also receive a fee for each Board meeting of \$1,500 for in-person attendance and \$500 for participation by telephone and a fee for each Committee meeting of \$750 for in-person attendance and \$350 for participation by telephone.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines to promote the effective functioning of the Board and its Committees, to promote the interests of stockholders and to create a common set of expectations as to how the Board, its Committees, individual directors and management should perform their respective functions. The Board believes that ethics and integrity cannot be legislated or mandated by directive or policy and that the ethics, character, integrity and values of our directors and management remain a critical safeguard in quality corporate governance. The Corporate Governance Guidelines establish the practices the Board will follow with respect to, among other practices, board composition and selection of board nominees, director responsibilities, chief executive officer evaluation, management development and succession planning, director compensation, board committees, and annual board and committee performance evaluations. A copy of the Corporate Governance Guidelines is attached as **Appendix B** to this proxy statement and is available on our website at www.atricure.com under “Investor Relations—Corporate Governance.”

Code of Business Conduct and Ethics

AtriCure is committed to maintaining the highest standards of business conduct and ethics. Our Code of Business Conduct and Ethics (the “Code”) reflects our values and the business practices and principles of

[Table of Contents](#)

behavior that support this commitment. Our Code is an integral part of our business conduct compliance program and embodies our commitment to conduct operations in accordance with the highest legal and ethical standards. The Code applies to all of our officers, directors and employees. Each is responsible for understanding and complying with the Code. The Code is available on our website at www.atricure.com under “Investor Relations—Corporate Governance.” We will post any amendment to the Code, as well as any waivers that are required to be disclosed by the rules of the SEC or the Nasdaq, on our website.

Compensation Committee Interlocks and Insider Participation

During the last fiscal year, the members of the Compensation Committee were Alan L. Kaganov, Norman R. Weldon, Ph.D. and Lee R. Wrubel, M.D. No member of our Compensation Committee nor any executive officer of AtriCure has a relationship that would constitute an interlocking relationship with executive officers or directors of another entity. No Compensation Committee member is an officer or employee of AtriCure or was formerly an officer of AtriCure.

Certain Relationships and Related Party Transactions

We describe below transactions that have occurred this year or during our last three fiscal years to which we were a party in which:

- the amounts involved exceeded or will exceed \$60,000; and
- a director, nominee for director, executive officer, holder of more than 5% of our common stock or any member of their immediate families had or will have a direct or indirect material interest.

Enable Medical Corporation

Contemporaneously with the closing of our initial public offering, we acquired Enable Medical Corporation, the manufacturer of our Isolator ablation clamps, which are an essential component of the AtriCure bipolar ablation system. The \$7.0 million aggregate purchase price for Enable was determined by negotiations between special committees of disinterested directors of Enable and us, but no opinion as to fairness of the terms was obtained from an investment banking firm. Three of the members of our Board, directly or indirectly, held an aggregate of approximately 63% of the outstanding common stock of Enable and, accordingly, received a majority of the amounts that we paid to acquire Enable. Michael D. Hooven, our Chief Technology Officer and one of our directors, was a co-founder and the Chairman of the Board of Enable and owned, directly and indirectly, approximately 47% of its outstanding common stock. Karen P. Robards, one of our directors, owned, directly and indirectly, approximately 3% of Enable’s outstanding common stock. Norman R. Weldon, Ph.D, one of our directors, owned, directly or indirectly, approximately 13% of Enable’s outstanding common stock. If we sell certain assets that were acquired as part of the Enable acquisition prior to the third anniversary of the closing of our acquisition of Enable, we will be required to pay the former shareholders of Enable 50% of the consideration from that sale that is in excess of \$1 million, subject to a maximum payment to the Enable shareholders of \$2 million.

Voting Agreement

Under the terms of an amended and restated voting agreement, which agreement terminated upon the closing of our initial public offering in August 2005, the holders of our common stock were entitled to elect three Board members, one of whom was required to be the Chief Executive Officer; the holders of our Series A preferred stock (which shares converted to common stock in connection with our initial public offering) were entitled to elect two Board members, one of which was designated by Charter Ventures IV, L.P. and one by Partisan Management Group, Inc.; the holders of our Series B preferred stock (which shares converted to common stock in connection with our initial public offering) were entitled to elect two Board members, one of which was designated by U.S. Venture Partners VIII, L.P. and one by Camden Partners, Inc.; and one Board

[Table of Contents](#)

member was elected by the holders of all classes of capital stock voting as a single class. Pursuant to the terms of this agreement, the holders of our common stock had previously nominated and elected to our current Board David J. Drachman, Michael D. Hooven and Norman R. Weldon, Ph.D.; the holders of our Series A preferred stock nominated and elected Donald C. Harrison, M.D. and Karen P. Robards; the holders of our Series B preferred stock nominated and elected Alan L. Kaganov and Richard M. Johnston; and the holders of all our outstanding stock nominated and elected Lee R. Wrubel, M.D.

Amended and Restated Investors' Rights Agreement

We have entered into an agreement with certain of our common stockholders under which those stockholders have certain customary demand and piggyback registration rights with respect to their shares of common stock. The directors, executive officers and holders of more than 5% of our common stock that are parties to this agreement are Donald C. Harrison, M.D., Michael D. Hooven, Karen P. Robards and entities affiliated with U.S. Venture Partners, Camden Partners, Charter Ventures, and Norman R. Weldon, Ph.D. and his spouse Carol J. Weldon.

Family Relationships

There are no family relationships among any of our directors, director nominees or executive officers.

Indemnification Agreements

We have entered into indemnification agreements with our directors and executive officers for the indemnification of and advancement of expenses to these persons to the fullest extent permitted by law. We also intend to enter into these agreements with our future directors and executive officers.

Communications with the Board of Directors

Stockholders are invited to communicate to the Board or its committees by writing to: AtriCure, Inc., Chairman of the Board of Directors, 6033 Schumacher Park Drive, West Chester, Ohio 45069. All such stockholder communications will be forwarded to the specific director or directors to whom the communications are addressed.

**PROPOSAL TWO—RATIFICATION OF APPOINTMENT
OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has selected Deloitte & Touche LLP as the independent registered public accounting firm to perform the audit of the Company's financial statements for the fiscal year ending December 31, 2006. Deloitte & Touche audited the Company's financial statements for 2002, 2003, 2004 and 2005. Deloitte & Touche is a registered public accounting firm.

The Board is asking the stockholders to ratify the selection of Deloitte & Touche as the Company's independent registered public accounting firm for 2006. Although not required by law, the rules of Nasdaq, or the Company's Bylaws, the Board is submitting the selection of Deloitte & Touche to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee may reconsider whether it should appoint another independent registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of Deloitte & Touche are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from the Company's stockholders.

Board of Directors' Recommendation

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE SELECTION OF DELOITTE & TOUCHE AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2006.

Audit and Non-Audit Services

The Audit Committee is directly responsible for the appointment, compensation, and oversight of the Company's independent auditor. In addition to retaining Deloitte & Touche to audit the Company's financial statements for 2005, the Audit Committee retained Deloitte & Touche to provide tax services in 2005. The Audit Committee understands the need for Deloitte & Touche to maintain objectivity and independence in its audits of the Company's financial statements. The Audit Committee has reviewed all non-audit services provided by Deloitte & Touche in 2005 and has concluded that the provision of such services was compatible with maintaining Deloitte & Touche's independence in the conduct of its auditing functions.

The aggregate fees billed by Deloitte & Touche for audit and non-audit services provided to the Company in 2005 and 2004 were as follows:

<u>Service Category</u>	<u>2005</u>	<u>2004</u>
Audit Fees	\$ 498,355	\$ 116,605
Audit-Related Fees	—	—
Tax Fees	25,925	14,375
All Other Fees	—	—
Total	<u>\$ 524,280</u>	<u>\$ 130,980</u>

[Table of Contents](#)

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees for professional services for the audit of a company's financial statements (including fees in connection with our Registration Statement on Form S-1 (Registration No. 333-124197)), and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; "audit-related fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of a company's financial statements; "tax fees" are fees for tax compliance, tax advice and tax planning; and "all other fees" are fees for any services not included in the first three categories.

Pre-Approval Policies and Procedures

To help ensure the independence of our independent registered public accounting firm, the Audit Committee is required to pre-approve all audit and non-audit services to be performed for us by our independent registered public accounting firm. All audit and permitted non-audit services, including the fees and terms thereof, to be performed by our independent registered public accounting firm must be approved in advance by the Audit Committee, as a Committee or the Committee may delegate to one or more of its members the authority to grant the required approvals.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information relating to the beneficial ownership of AtriCure common stock as of the Record Date, by:

- each stockholder known by us to own beneficially more than 5% of our common stock;
- each of our executive officers named in the Summary Compensation Table on page 24;
- each of our directors and nominees for director; and
- all of our directors and executive officers as a group.

The number of shares beneficially owned is determined in accordance with the rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the individual has the sole or shared voting power or investment power and any shares that the individual has the right to acquire within 60 days of April 26, 2006 (the Record Date) through the exercise of any stock option or other right. The number and percentage of shares beneficially owned is computed on the basis of 12,117,535 shares of our common stock outstanding as of the Record Date. Shares of our common stock that a person has the right to acquire within 60 days of the Record Date are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all directors and executive officers as a group.

COMPLIANCE WITH SECTION 16(a) FILING REQUIREMENTS

Section 16(a) of the Exchange Act requires our directors, executive officers and beneficial owners of more than 10% of our common stock to file with the SEC reports regarding their ownership and changes in ownership of our common stock. REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS¹

Management has the primary responsibility for maintaining effective internal control over financial reporting and for preparing AtriCure's consolidated financial statements. AtriCure's independent registered public accounting firm is responsible for performing independent audits of AtriCure's consolidated financial statements in accordance with auditing standards generally accepted in the United States. The Audit Committee's responsibilities include monitoring and oversight of corporate accounting and financial reporting processes on behalf of the Board of Directors. In fulfilling its responsibilities, the Audit Committee reviewed with management the audited financial statements included in AtriCure's Annual Report on Form 10-K, including a discussion of significant accounting principles, the reasonableness of significant estimates and judgments made in preparing the financial statements and the clarity of disclosures in the financial statements. In addition, the Audit Committee discussed with the Chief Executive Officer and Chief Financial Officer of AtriCure the certifications required to be given by such officers in connection with AtriCure's Annual Report on Form 10-K pursuant to the Sarbanes-Oxley Act of 2002 and the Securities and Exchange Commission rules adopted thereunder, including the subject matter of such certifications and the procedures followed by such officers and other management in connection with giving such certifications. The Audit Committee's responsibilities are set forth in a written charter that was adopted by AtriCure's Board of Directors, a copy of which is attached as Appendix A to this proxy statement and is available on our website at www.atricure.com under "Investor Relations—Corporate Governance."

The Audit Committee is responsible for reviewing, approving and managing the engagement of AtriCure's independent registered public accounting firm, including the scope, extent and procedures of the annual audit and compensation to be paid therefor, and all other matters the Audit Committee deems appropriate, including the independent registered public accounting firm's accountability to the Board of Directors and the Audit Committee. The Audit Committee reviewed with AtriCure's independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of AtriCure's audited financial statements with generally accepted accounting principles, its judgments as to the acceptability as well as the appropriateness of AtriCure's application of accounting principles and such other matters as are required to be discussed with the Audit Committee by SAS No. 61 (Communications with Audit Committees), as amended by SAS's No. 89 and 90. In addition, the Audit Committee has discussed with AtriCure's independent registered public accounting firm its independence from management and AtriCure, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, and has considered the compatibility of non-audit services with the independence of AtriCure's independent registered public accounting firm.

The Audit Committee discussed with AtriCure's independent registered public accounting firm the overall scope and plans for its audit. The Audit Committee meets with the independent registered public accounting firm to discuss the results of its examinations, its evaluation of AtriCure's internal control over financial reporting, and the overall quality of AtriCure's financial reporting. The Audit Committee held six meetings during the fiscal year ended December 31, 2005.

REPORT OF THE COMPENSATION COMMITTEE¹

AtriCure's Compensation Committee is comprised of four independent, non-employee directors. The Committee establishes and administers AtriCure's executive compensation program, assists the Board of Directors with its responsibilities relating to executive officer and director compensation and oversees incentive and equity-based compensatory plans in which executive officers and other employees of AtriCure participate. The Committee seeks to offer compensation to AtriCure's executive officers to enable AtriCure to attract, retain and reward highly qualified individuals, whose contributions are necessary for AtriCure's long-term success. Compensation generally consists of salary and a cash bonus, which provide current incentives, and stock options, which provide longer-term incentives. In determining executive compensation, the Committee evaluates a variety of factors relating to AtriCure's performance during the prior fiscal year, including revenue and sales growth and progress towards long-term goals. In addition, the Committee reviews the individual performance of AtriCure's executive officers, including their achievement of managerial objectives.

Base Salary and Cash Bonus

AtriCure does not have employment agreements with any of its executive officers, including David J. Drachman, our President and Chief Executive Officer. Base salaries for executive officers are determined by evaluating a variety of factors, including the experience of the individual, the competitive marketplace for managerial talent (including a comparison of base salaries for comparable positions at similar companies of comparable size and capitalization), AtriCure's performance, the executive's performance, and the responsibilities of the executive. Cash bonus awards are based on a variety of factors, including the individual performance of the executive and AtriCure's performance.

Equity Compensation

The Compensation Committee believes that stock-based compensation arrangements are essential in aligning the interests of management and the stockholders. AtriCure's 2005 Equity Incentive Plan provides for the issuance of stock options, stock appreciation rights, restricted stock, performance units and performance shares to its executive officers and other employees. Stock options to purchase shares of AtriCure's common stock are issued at an exercise price equal to the fair market value of such stock on the date of grant. These options typically vest over a four-year period from the date of grant and are granted to AtriCure's executive officers and other employees as a reward for past individual and corporate performance and as an incentive for future performance. The size of awards is determined by the Committee based on factors such as the executive's position, individual performance and AtriCure's performance.

Chief Executive Officer's Compensation

During 2005, Mr. Drachman received an annual base salary of \$226,667, which represents a 13% increase over the annual base salary paid to Mr. Drachman in 2004, an incentive bonus of \$93,100 and long-term incentive compensation in the form of stock options. In determining Mr. Drachman's salary for 2005, the Committee considered competitive compensation data for chief executive officers of similar companies within the medical device industry, taking into account their past experience, performance and knowledge. The Committee also considered AtriCure's performance during the prior fiscal year, Mr. Drachman's qualifications, knowledge and experience, and his leadership to AtriCure in its achievement of strategic and financial objectives, including the successful completion of AtriCure's initial public offering during 2005.

¹ The material in this report is not "soliciting material," is not deemed filed with the Securities and Exchange Commission and is not incorporated by reference in any AtriCure filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, whether made before or after the date of this proxy statement and irrespective of any general incorporation language in those filings.

Effect of Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code limits the tax deduction allowable for executive compensation to \$1.0 million per year for certain executive officers unless such compensation is performance-based. As the cash compensation paid to each of AtriCure's executive officers is below \$1.0 million and the Committee believes that stock options granted would meet the requirements for performance-based compensation, the Committee believes that Section 162(m) will not prevent AtriCure from receiving a tax deduction for any compensation paid to its executive officers during 2005.

AUDIT COMMITTEE OF
THE BOARD OF DIRECTORS

This Audit Committee Charter was adopted by the Board of Directors (the “Board”) of AtriCure, Inc., a Delaware corporation (the “Company”), on April 6, 2005.

I. PURPOSES

The Audit Committee (the “Committee”) shall assist the Board in fulfilling its responsibility to oversee management regarding:

- (iv) the Company’s legal and regulatory compliance; and
- (v) the preparation of the annual Audit Committee Report required by Securities and Exchange Commission (the “SEC”) rules to be included in the Company’s annual proxy statement.

In discharging its role, the Committee is empowered to inquire into any matter it considers appropriate to carry out its responsibilities, with access to all books, records, facilities and personnel of the Company. The Committee has the power to retain outside counsel, independent auditors or other advisors to assist it in carrying out its activities. The Company shall provide adequate resources to support the Committee’s activities, including compensation of the Committee’s counsel, independent auditors and other advisors. The Committee shall have the sole authority to retain, compensate, direct, oversee and terminate counsel, independent auditors, and other advisors hired to assist the Committee, who shall be accountable ultimately to the Committee.

II. ORGANIZATION

The Committee shall consist of three (3) or more members of the Board, each of whom the Board has selected and determined to be “independent” in accordance with applicable rules of the SEC and the Nasdaq Stock Market, Inc. (“Nasdaq”). No member of the Committee shall have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three (3) years. Each member of the Committee shall meet the financial literacy requirements of Nasdaq, at least one member shall have the requisite financial sophistication required by Nasdaq and, unless otherwise determined by the Board, at least one member shall be an “audit committee financial expert” as such term is defined under applicable SEC rules. No member of the Committee may serve on the audit committee of more than three (3) public companies, including the Company, unless the Board of Directors has determined that such simultaneous service would not impair the ability of such member to effectively serve on the Committee.

Committee members shall continue to be members until their successors are elected and qualified or until their earlier resignation or removal. Any member may be removed by the Board, with or without cause, at any time. The Chairman of the Committee shall be appointed from among the Committee members by, and serve at

III. MEETINGS

The Committee shall meet on a regularly-scheduled basis at least four (4) times per year or more frequently as circumstances dictate. The Committee shall establish its own schedule and rules of procedure. Meetings of the Committee may be held telephonically. A majority of the members of the Committee shall constitute a quorum sufficient for the taking of any action by the Committee.

IV. DUTIES

The Committee's role is one of oversight. The Company's management is responsible for preparing the Company's financial statements and the independent auditors are responsible for auditing those financial statements. The Committee recognizes that Company management and the independent auditors have more time, knowledge and detailed information about the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work.

The following responsibilities are set forth as a guide for fulfilling the Committee's purposes, with the understanding that the Committee's activities may diverge as appropriate given the circumstances. The Committee is authorized to carry out these activities and other actions reasonably related to the Committee's purposes or assigned by the Board from time to time.

The Committee may form, and delegate any of its responsibilities to, a subcommittee so long as such subcommittee is solely comprised of one or more members of the Committee.

To fulfill its purposes, the Committee shall:

A. *Supervise the Independent Audit.*

1. appoint, evaluate, compensate, oversee the work of, and if appropriate terminate, the independent auditor, who shall report directly to the Committee;
2. review and approve the terms of the independent auditor's retention, engagement and scope of the annual audit, and pre-approve as a Committee or by an individual member any audit-related and permitted non-audit services (including the fees and terms thereof) to be provided by the independent auditor (with pre-approvals disclosed as appropriate in the Company's periodic public filings);
3. on an annual basis:

 - (ii) set clear hiring policies for employees or former employees of the independent auditors;

APPENDIX B
ATRICURE, INC.
CORPORATE GOVERNANCE GUIDELINES

These Corporate Governance Guidelines were adopted by the Board of Directors (the “Board”) of AtriCure, Inc. (the “Company”) on June 7, 2005.

I. COMPOSITION OF THE BOARD OF DIRECTORS

A. *Size of the Board*

The Bylaws of the Company provide that the Board will establish the number of directors from time to time.

B. *Selection of Board Nominees*

The Board is responsible for recommending director nominees to the stockholders of the Company (the “Stockholders”) for election. The Board has delegated the screening process to the Nominating and Corporate Governance Committee of the Board (the “Nominating and Corporate Governance Committee”).

The Nominating and Corporate Governance Committee is responsible for reviewing with the Board, on an annual basis, the appropriate skills and characteristics required of directors in the context of the current make-up of the Board. This assessment includes issues of judgment, diversity, age and skills (such as understanding of relevant technologies, business and financial background, etc.), in the context of an assessment of the perceived needs of the Board at that point in time.

The Nominating and Corporate Governance Committee considers recommendations for Board candidates submitted by Stockholders using the same criteria it applies to recommendations from directors and members of management. Stockholders may submit recommendations by writing to the committee at AtriCure, Inc., Attn: Chairman of the Nominating and Corporate Governance Committee, 6033 Schumacher Park Drive, West Chester, Ohio 45069.

Invitations to serve as a nominee are extended by the Board itself via the Chairman of the Board or the Chairman of the Nominating and Corporate Governance Committee.

C. *Board Independence*

The Board shall have a majority of directors that it has affirmatively determined are “independent directors” in accordance with the rules promulgated by the Nasdaq Stock Market, Inc. (“Nasdaq”) and applicable laws and regulations.

D. *Commitment and Limits on Other Activities*

Directors are expected to limit the number of other boards (excluding non-profits) on which they serve in order to allow adequate time for performance as a director of the Company.

E. *Term and Age Limits*

As an alternative to term limits, the Nominating and Corporate Governance Committee will formally review each director’s continuation on the Board at the expiration of the director’s term. The Board also has set an age limit of 72 for directors, *provided that* directors turning 72 shall be permitted to serve the remainder of their term.

II. DIRECTOR RESPONSIBILITIES

The role of the Board is to direct the affairs of the Company, in the interests of the Stockholders, including their interest in optimizing financial returns and the value of the Company over the long term.

A. *Board Role*

The Board fulfills its role (directly or by delegating certain responsibilities to its committees) by:

1. providing advice and counsel to the Chief Executive Officer and principal senior executives;
2. selecting, regularly evaluating, and, where appropriate, replacing the Chief Executive Officer;
3. overseeing the conduct of the Company's business and strategic plans to evaluate whether the business is being properly managed;
4. reviewing and approving the Company's financial objectives and major corporate plans and actions;
5. reviewing and approving major changes in the appropriate auditing and accounting principles and practices;
6. providing oversight of internal and external audit processes and financial reporting;
7. providing oversight of risk assessment and protection processes and processes designed to promote legal compliance; and
8. performing such other functions as the Board believes appropriate or necessary, or as otherwise prescribed by rules or regulations.

B. *Care, Candor and Avoidance of Conflicts*

The Company's directors recognize their obligation individually and collectively as the Board to pay careful attention and be properly informed. This requires regular attendance at Board meetings and preparation for Board meetings, including the advance review of circulated materials. The directors also recognize that candor and the avoidance of conflicts in fact and in perception are hallmarks of the accountability owed to the Stockholders. Directors have a personal obligation to disclose a potential conflict of interest to the Chairman of the Board prior to any Board decision related to the matter and, if the Chairman in consultation with legal counsel determines a conflict exists or the perception of a conflict is likely to be significant, to recuse themselves from any discussion or vote related to the matter.

III. EXECUTIVE SESSIONS & PRESIDING DIRECTOR

A. *Executive Session of Non-Management Directors*

The non-management directors of the Board will meet in Executive Session at least three (3) times per year to discuss such topics as the non-management directors determine. "Non-Management" directors are those who are not company officers (as such term is defined in Rule 16a-1(f) under the Securities Act of 1933), and can include directors who do not meet the definition of an independent director under the rules of Nasdaq. Minutes of the Executive Sessions should be kept, describing who participated, the general topics discussed, and such other details as the non-management directors determine.

The non-management directors shall designate from time to time one non-management director to serve as the Presiding Director to chair the Board's Executive Sessions. In addition, the Presiding Director shall advise the Chairman of the Board and, as appropriate, committee chairs with respect to agendas and information needs relating to Board and committee meetings; provide advice with respect to the selection of committee chairs; and perform such other duties as the Board may from time to time delegate to assist the Board in the fulfillment of its responsibilities.

IV. FORMAL EVALUATION OF THE CHIEF EXECUTIVE OFFICER

The Board has delegated to the Compensation Committee of the Board (the "Compensation Committee") the task of evaluating the Chief Executive Officer annually and reporting its recommendations to the Board. The Chairman of the Compensation Committee (together with the Chairman of the Board if the Chairman is an independent director) communicates the Board's conclusions to the Chief Executive Officer.

The evaluation is based on objective criteria including performance of the business, accomplishment of strategic objectives, development of management, etc. The evaluation is used by the Compensation Committee in its recommendation to the Board regarding the Chief Executive Officer's compensation.

V. MANAGEMENT DEVELOPMENT & SUCCESSION PLANNING

The Chief Executive Officer reports at least annually to the Board on the Company's program for management development and on succession planning, which the Board views as closely related issues. In its consideration of these issues, it is the policy of the Board to consider issues related to Chief Executive Officer and senior executive selection and performance.

VI. DIRECTOR ORIENTATION AND CONTINUING EDUCATION

Upon joining the Board, each new director should familiarize himself or herself with the Company's strategic plans, its financial and accounting practices and its internal procedures, and meet with Company management. Directors are expected to continue educating themselves with respect to industry practice, accounting and finance, leadership, crisis management, general management and strategic planning. The Company may, from time to time, offer continuing education programs for directors.

VII. DIRECTOR COMPENSATION

The Compensation Committee is responsible for reviewing and recommending to the Board, on an annual basis, the compensation for directors. The Compensation Committee will consider how the Company's director compensation practices compare with those of public and peer group corporations. Any change in Board compensation will be made upon the recommendation of the Compensation Committee and following discussion and approval by the Board.

Compensation may be paid in the form of cash or equity interests in the Company or such other forms as the Board deems appropriate. Separate compensation may be provided to members of committees of the Board and additional compensation may be provided to the chairs of the Board and committees. Directors who are also employees of the Company shall not receive any additional compensation for their services as directors.

VIII. BOARD AGENDA, MATERIALS, INFORMATION AND PRESENTATIONS

The Chairman of the Board, with input from senior members of management, establishes the agenda for each Board meeting. Each director is free to suggest the inclusion of item(s) on the agenda.

Information and data that is important to the Board's understanding of the business is distributed in writing to the Board generally five or so days before the Board meets, although this is not a strict standard, so as to allow for unusual circumstances. Management should ensure that material is as brief as possible while still providing the desired information.

Presentations on specific subjects are forwarded to the directors in advance so that directors may prepare, Board meeting time may be conserved, and discussion time may be focused. However, it is recognized that there may be occasions when an important issue arises without time for written background materials to circulate or the subject matter is not appropriate for written materials, such that more presentation time will be required.

IX. DIRECTOR ACCESS TO SENIOR MANAGEMENT AND INDEPENDENT ADVISERS

Directors have complete access to senior management and to the Board's advisors. Directors are expected to use good judgment to ensure that this contact is not distracting to the business operation of the Company, and that independent advisors are used efficiently.

X. BOARD INTERACTION WITH INVESTORS, PRESS, CUSTOMERS AND STOCKHOLDERS

Management, and, in particular, the Chief Executive Officer speaks for the Company. The Chairman of the Board and, in certain circumstances, individual directors speaks for the Board. Individual directors may, from time to time at the request of management, meet or otherwise communicate with various constituencies. If comments from the Board are appropriate, however, they should, in most circumstances, come from the Chairman. Directors are expected to take special care in all communications concerning the Company, in light of confidentiality requirements and laws prohibiting insider trading, tipping and avoidance of selective disclosure.

XI. BOARD COMMITTEES

The Board currently has three committees: Audit, Compensation and Nominating and Corporate Governance. Membership on such committees is limited to independent directors. The Board retains discretion to form new committees or disband current committees depending upon the circumstances.

XII. ANNUAL BOARD & COMMITTEE PERFORMANCE EVALUATIONS

The Board conducts an annual self-evaluation of its performance and the performance of its committees. The Nominating and Corporate Governance Committee recommends to the Board and its committees the methodology for such evaluations and oversees its execution.

XIII. CORPORATE GOVERNANCE GUIDELINES

The Nominating and Corporate Governance Committee reviews these Guidelines periodically and recommends amendment to the Board as necessary.

XIV. COMMUNICATING WITH THE BOARD

Stockholders are invited to communicate to the Board or its committees by writing to: AtriCure, Inc., Attn: Chairman of the Board of Directors, 6033 Schumacher Park Drive, West Chester, Ohio 45069.
